**Fundraising:** Put the Fun back in Fundraising

---

Sometimes it's difficult to see the 'fun' side of 'fundraising' - coming up with an innovative idea, finding out where to start, what's available – this can all waste valuable time and money.

Good Sports has put together some ideas and listed some contacts that may save your sanity and help your club raise those much needed dollars.

---

## Event Ideas

---

### Club Gift

Invite your members and opposition clubs to participate in a running race or 'Club Gift'. Hold a variety of races to accommodate all ages and levels (senior, junior, male, female). Organise a BBQ and other activities to encourage families, friends and supporters.

### Free car wash

Organise a free car wash for your local community. Encourage each of your members to find sponsors for the car wash (local businesses) at \$20-\$50 each. When your members wash the cars they can provide brochures and business cards for the Sponsors to each of the drivers. They can also hand out a brochure promoting your club. Try to get washing products donated and have a BBQ for the drivers while their cars are washed.

### Piggyback your club event

It can sometimes be hard to attract a crowd. Try piggybacking your club event with a national or well known local event. Events such as Melbourne Cup, NRL/AFL Grand Finals, World Cup Soccer/Rugby/Cricket, Christmas, Easter. Hold a function at your club rooms and provide food and drink. Hire a big screen TV to encourage more people. Run competitions or sweeps throughout the day for winner, winning margin, first goal, most runs/wickets made.

### Easter Egg Hunt

This can be a great seasonal fundraiser, especially for clubs with lots of children. Buy chocolate eggs in bulk and hide them around your facilities. Sell 'hunting licences' to the children and give them baskets to find the eggs. Accompany the hunt with an Easter Bunny, face painting and a BBQ for parents while the children are 'hunting'.

You can also adapt this idea to Christmas, with a special visit from Santa or a present hunt.

### Karaoke night

Hire a Karaoke machine, charge an entry fee or a 'per song' fee. Have prizes for the best song, best duet, best 60's/70's/80's/90's song etc. Invite members of opposition clubs. This event could be developed into an annual event with fierce competition between and amongst clubs!

**Cinema night**

Cinemas such as Hoyts and Village sell discounted movie tickets for group bookings. Depending on numbers you can even have the cinema to yourself. Tickets are sold to your club for about \$7/\$9 each and can then be sold for \$15+ for your fundraiser. Selecting a movie of interest is important, either a Blockbuster or a sports themed movie such as Bend it Like Beckham, Remember the Titans. Select new movies to increase the number of people that will attend. Contact your local cinema for more details.

**Dress up night**

At a regular function, or a special dress - up function select a theme for the night. Ideas include 60's theme, 80's theme, school, famous faces, sports uniforms, club colours, or choose a letter of the alphabet e.g. Batman or Barbie for the letter 'B'.

**Hold an Auction**

Encourage each member of your club to get a prize donated for the Auction. Obviously the better the prizes, the more money you will make. If you have a number of smaller prizes you can put packs together to make them more appealing.

**Slave Auction**

Are your members a talented bunch? Encourage your members, their families, and local businesses to donate their services to the club. For example a masseuse may offer a free one hour massage to the highest bidder. Other donations could include washing cars, mowing lawns, walking dogs. As well as being lots of fun, it also provides a great opportunity for members and local businesses to promote awareness of their services and generate future customers.

**Garage Sale**

Encourage all of your members, family and friends to bring their old goodies to the club rooms for a mega club garage sale. Remember someone's trash is another person's treasure! A BBQ is a good idea to attract more people and encourage them to stay longer.

**BBQ/Sausage Sizzle**

Sausage sizzles are a great way of encouraging people to stay around and socialize after training or games. Alternatively, community organisations, such as Bunnings, may give your club the opportunity to hold a BBQ outside their store. It's a great way to advertise your club and make some money. Try and get sausages, bread, sauce etc donated to create more profit.

### **Flight Night**

Host a fun evening at your club by taking an adventure around the world. Set up some chairs, imaginative props and invite people to buy an airline ticket to step aboard your fictitious jumbo jet. Your pilot and crew will set you off for an adventure to several wonders of the world. Provide food and beverages from the different continents you visit. Sip milk from coconuts in Hawaii, dance the Samba in Brazil and nibble on a hot dog in the USA. The more creative, the better!

### **Suitcase Dinner**

Organise a donation or purchase a weekend travel package at a discounted rate. Use this as a major prize for a suitcase dinner. Sell numbered boarding passes as tickets to the dinner and make sure everyone attending brings along a suitcase with enough clothes for a weekend away. Give every boarding pass a number and when one lucky number is pulled from a hat, the winner receives a genuine boarding pass for a weekend away leaving that night (or the next day).

### **Instant Party**

Sell raffle tickets with the winning prize being an instant party. The winner gets to choose the location of the party i.e. club rooms, house or an alternate venue. The club members or team mates will act as hosts for this party, providing the food service and entertainment. The proceeds of the raffle can be used to pay for nibbles and drinks.

### **Giddy Up**

You can recreate your very own Horse Racing Competition, using six members of your club. Mark out a large area with six lanes, alternatively you can use small surface such as a table and place toy Horses on the track. Invite people along to place bets on the Horses, who will progress through the field via a dice toss. When one dice lands on a number, this corresponds to a horse in the field. The second toss of the dice corresponds to how many pace the Horse will move through the field. Prizes are given for first, second and third positions.

---

## Other initiatives

---

### Footy Tipping Competitions

Run a tipping competition for any sporting league such as the AFL/NRL/NBL. Clubs may even want to hold a tipping competition for overseas leagues such as the NBA/Major League Baseball/English Premier League. To reduce administrative time, get participants to tip for all games at the start of the season.

### Fantasy competitions

While this competition requires a bit of organisation it is lots of fun. You can create a fantasy competition using players at your club or use the AFL/NRL/NBL/Australian Cricket Series. People are asked to choose their 'ultimate' team and points are rewarded when players on their team make a run, kick a goal, taken a wicket, goals kicked, marks taken etc. The person whose fantasy team has the most points at the end of a season wins.

### Balloons with \$\$\$

As part of your next function blow up some balloons and put money (preferably notes) in some of them. Sell the balloons to members and if they pop one with the money in it they get to keep it! Use a blindfold to ensure the selection of the balloons is random.

### Lucky Key

Collect a load of "lucky keys" or numerical combinations to sell to participants. Only one key or combination will be able to open a special prize. This prize could be a mini bar, a key to a car boot full of sporting goods, a sports bag full of prizes, a trailer of firewood etc.

### Delivering Yellow Pages

Yellow Pages contracts out the delivery of their annual books. Contact them and see if your club can be paid to deliver them. It would be a great way to keep fit and a delivery day could even replace a training session.

### Business Trade Directory

Create a Yellow Pages type book or calendar, which advertises local businesses of both members and other local businesses. Charge a reasonable price for businesses to advertise so that cost of production is covered and a profit can be made.

**Jackpotting weekly cash**

This is a great idea to encourage people to stay back either after training sessions or matches. At the start of the season give each member a number. About an hour or so after the completion of training or a match draw out a number from a hat and if the person is still there they get a cash prize (maybe start it at \$10 or \$20). If the person is not there, the money jackpots each week.

**Coin Toss**

At your next function hold a coin toss where people throw coins at a prize (make it fairly small so it's harder to hit) and the closest to the prize wins it. People can throw as many coins as they like and the club gets to keep all coins that are thrown. You can also auction off the rights to toss the coin at your next home game!

**Raffles**

Contact local businesses and try and get as many prizes donated as possible. Everything from a meat tray, to hampers, shopping vouchers, petrol vouchers, a load of firewood, chooks, memorabilia and cars can be raffled. Some community organisations hold a raffle that other clubs can be a part of. For example your local Rotary Club. They usually have great prizes up for grabs (cars and holidays). They usually offer 50% profit margins (\$1 for every \$2 ticket sold).

**Community Voucher/ Coupon Booklets**

Local communities often develop booklets that incorporate a wide range of offers and deals from a number of local businesses. These booklets can be purchased by the club and sold on to members for a profit.

**Rebel Sport - Club Rebate program**

Rebel Sport has developed a club rebate program to help schools and sporting clubs. It's free to register your club. Inform club members, friends and families of your unique club number. When making a purchase your members will receive a 5% discount off any full priced item. As well as this saving, your club will get 5% of your total purchases back in a cheque at the end of the year. Contact you nearest Rebel Sport for more information.

**Trophy Donations**

Get local businesses to donate the cost of individual trophies. Reward the sponsors by inviting them to the club presentation night or provide them with signage or recognition on the night.

**Yabbi/ Snail/ Ferret Race Meets**

Do you know someone who has access to any of these creatures? Bring one along to the club, name it and encourage people to place bets and watch it fly to victory.

**Group Trips**

Organise a group bus trip to major sporting events, movies, shopping tours or even organise a mystery trip. Charge members enough to cover costs and make a profit for the club.

**Merchandise**

Team merchandise is a great way to make money and create team unity. Items such as t-shirts, shorts, hats and key rings can be bought in bulk with club logo and sponsors logo. These can be sold to club members and supporters.

**Club Investments**

For bigger sporting clubs investment properties can be a great source of income with rent payments. Shares can also be a good source of income especially if a member of your club is a stock broker. Ensure you receive sound advice prior to any investment.

**Individual sponsors**

Share the load and get all players to find a personal sponsor for the season. Establish a board in your club rooms to acknowledge these sponsors.

**A Different Approach to Gaining a Major Sponsor**

Encourage each of your members to gain a Minor Club Sponsor for \$50. Provide members with Club Sponsor certificates and/or stickers for the businesses to display. Invite all Minor Sponsors to a club game or function where one of the sponsors will get drawn out of the hat to become the 'Major' sponsor of the club. Provide the Major sponsor with additional signage and advertising space at the club and on websites and newsletters.

## Drives

---

Fundraising can be a great way to get your club involved in the local community. You can approach local businesses to supply goods to your club at a special fundraising price and then re-sell the items to club members to raise some funds your club. For example, you could approach your local bakery to organise some donuts, muffins or cakes. Alternatively you can contact the following organisations:

**Requirements:** When planning a drive, timing is very important. They take about two-three weeks to run, but by using the seasons and special events to your advantage, you can hold several drives during the year and get those profits really adding up. A minimum of two people to organise the drive, the more sellers the better to make the most of this fundraiser. Set a two to three week selling period so there is enough time for products to be sold but not too long for people to forget. Allow another two weeks to collect money and remaining products.

### Cadbury Fundraising

Cadbury offers:

- Fantastic products
- Simple to organise
- Great customer and support service from local fundraiser consultants

A Stock & Cash Bonus Program that will help you make even bigger profits more easily. Buy chocolates for \$2.00 but sell for \$3.00. Raise much needed funds for your club.

## Programs and Organisations

---

### The Fundraising Group

Fundraisers include a Holiday Raffle Program and a Sunblock Australia package. Selling sunscreen is a great idea, especially through the summer months, and with a 33% profit margin and incentive prizes to be won this is a great fundraiser. Everyone would love to win a holiday and the Holiday Raffle is another fundraiser run by the Fundraising Group with excellent returns. For more information on any of these fundraisers contact The Fundraising Group.

## Hints

---

### Coordinating with other clubs

If you want to build your club but don't think that you have the resources to do what you want, why not join forces with another club in the area and draw on an even larger section of the community, this could greatly improve attendance and make sure that your event idea remains viable for years to come.

### Email Tagline

If your club sends out regular emails to your members at the end of the email, advertise your upcoming social functions so that members are constantly reminded about them.
